The screenshot displays the Clapp web application interface for managing branch reservations. The browser address bar shows the URL www.theclappapp.com. The application header includes the Clapp logo, a navigation menu icon, and a user profile for 'Admin'. The left sidebar contains a 'MENU' with options: Dashboard, Brands (expanded to show Al Beiruti, Logma, Al Beiruti Egypt, and Al Beiruti Lebanon), Reporting, and Customers. The main content area is titled 'BRANCH RESERVATIONS' and features a search bar, a date filter set to '07/15/2023', and several dropdown filters for Status, Select Section, Select Type, Cancelled, and Finished. Action buttons include '+ Make Reservation', 'Back To Branches', and 'Export to Excel'. A URL bar at the bottom right shows <https://business.theclappapp.com/reservation/index/14?bid=863>. Below the filters, a message indicates 'Showing 1 to 19 of 19 entries (filtered from 20 total entries)'. The main table lists reservation details with columns: Reference Number, Full Name, phone code, phone Number, Email, Number Of Guests, Date, Time, Section, Source, Table Number, Remarks, ReceiptValue, Status, and Remain. The table contains 19 rows of data, with status indicators like 'Seated' (blue) and 'Missed' (red) shown in the Status column.
